

Specialty Pharmacy Network

A network of specialty pharmacies has been created to handle BAFIERTAM[™] (monomethyl fumarate) prescriptions nationwide, in addition to its availability through many health system specialty pharmacies

BAFIERTAM specialty pharmacies provide:

Prescription processing services for practices

- ▶ Benefits verification
- ▶ Prior authorization support
- ▶ Dispensing and shipping services

Support services for patients

- ▶ Adherence programs
- ▶ 1-on-1 clinical education calls
- ▶ Access to Banner Patient Support
